

# Maila Ganesh Reddy

 +91-6305918622 |  mailaganeshreddy@gmail.com |  maila-ganesh-reddy

## Professional Summary

Motivated B.Tech student with strong programming and data analytics foundations. Skilled in C, Java, Python, SQL, and data visualization using Power BI and Excel. Eager to gain hands-on experience in software development or data analytics.

## Education

|   |                             |
|---|-----------------------------|
| <b>Teegala Krishna Reddy Engineering College</b><br><i>Bachelor of Technology (B.Tech), Hyderabad, India</i>        | Expected 2027<br>CGPA: 9.26 |
| – Relevant Coursework: Data Structures, Algorithms, Database Management, Web Development, Data Science Fundamentals |                             |
| <b>Pragathi Junior College</b><br><i>Intermediate, Hyderabad, India</i>   | 2021 – 2023<br>CGPA: 9.51   |
| – Focus Subjects: Mathematics, Physics, Chemistry, Computer Science   |                             |
| <b>St. Alphonsus High School</b><br><i>Secondary School Certificate (SSC), Hyderabad, India</i>                     | 2023<br>CGPA: 10.0          |
| – Subjects: Science and Mathematics   |                             |

## Technical Skills

**Programming Languages:** C, Java, Python (Basic)

**Database Technologies:** SQL

**Data Analytics Tools:** Power BI, Microsoft Excel

**Core Concepts:** Data Structures, Data Science Fundamentals

**Tools:** Visual Studio Code, Git, Microsoft Office

## Certifications

**NPTEL Certification in Data Science (2024)** – Covered Python, SQL, and Machine Learning fundamentals

**Data Science Training – Internshala (2023)** – Hands-on projects in data analysis and visualization using Python and Power BI

**Data Science Training – NullClass (2023)** – Learned data cleaning, EDA, and predictive modeling

**ICAT Participation Certificate (2022)** – Participated in inter-college technical fest on AI and ML
